For your reference, a sample application, the community screening criteria, and the community fee and deposit information is provided on the "Leasing Information" page of the website.

Request a Reservation

Use the "Request a Reservation" feature of the website to:

- request to hold a specific apartment temporarily, until you can visit the community
- receive an instant "pre-approval" credit screening status

To request a reservation on an apartment you will need to:

- go to the desired apartment using the "Check Availability" link of the floorplan page
- complete the 'Applicant Information' fields and select "Yes! I want to pre-qualify online!" when prompted
- pay the convenience fee of \$9.95

That's it! You will receive an instant result on your pre-approval status and a tentative reservation on the specified apartment.

Once your pre-approval status is confirmed, you may proceed with the application process in person or online using the "Apply Now" page of the website.
